

Handel Rating Consultants  
REDUCING THE BURDEN OF BUSINESS RATES

## Hyndburn Wind Farm

*"Handel Rating Consultancy has successfully appealed and reduced the rateable values of three of our operational onshore wind farms."*

**Richard Lill,**  
**Financing & Construction Manager**  
**Energiekontor UK Ltd**

### Client

Energiekontor

### Facility

Onshore Wind Farm

### Brief

Handel Rating Consultancy were instructed to mitigate the excessive and burdensome rates charges

### Action

HRC served an appeal against the 2010 Rating List

### Result

HRC succeeded in reaching a favourable settlement with the Valuation Officer three months after the appeal had been served.

This resulted in Energiekontor receiving a substantial rates refund, with total savings delivered through to 2017 amounting to over £180,000

Energiekontor now benefits from a rates charge well below that paid by the owners of other high yielding onshore wind farms in the UK.
